Glen Pearson: 732-532-9452

Tony Bennett: [bennettslk@optonline.net](mailto:bennettslk@optonline.net)

## VP's Corner

I hope this finds all of your families safe and healthy. If so bless them all, if not please have faith, we will get through this. If there is anything I or any board member can do to assist our membership and their families, we are here. We will do our best to help. We are WaXoBe, we are a family. Please reach out if you need us, even if it is just for a good conversation.

Hope to see some of you at our June 14<sup>th</sup> 3D, "Welcome Back Shoot". Some extra safety precautions have been put in place but it's guaranteed to be a great time! Pre-registration required and tasty bag lunches are also available. Come take a shot at Bigfoot! Good luck to all!

Things seem to be returning to normal, there are promising signs we will be getting there faster than expected. Hopefully soon we are able to open the indoor range, safely. Until then, some ideas are in the works to set up targets outside that are distanced at 20 yds. to hopefully allow our indoor archery fans to get some much-deserved range time in too. We will continue to work on these plans, please keep an eye on your email, our website [www.waxobe.com](http://www.waxobe.com) and our Facebook page @OfficialWaXoBe for constant updates.

In closing I will leave you with a quote I have always held close to my heart. I believe it applies to the state of things as they stand. Please stay safe and be well.

Fall seven times, get up eight. – *Japanese Proverb*

# Updates:

The board meets every two weeks to discuss updates from the governor including the openings and when things can return to “normal”.

The outdoor range has been opened for two weeks and everyone is following the rules. Thank you!

The field house is close to being finished, just a few more pieces of sheet rock and inspections, before it can be officially used.

Nick Lazar’s signs are up on the outdoor course. They look great!

Please visit the website for all events and information you as a member need to know.

[www.waxobe.com](http://www.waxobe.com)

Jose and his crew put up sheet rock in the field house.

## Shooting Fun on the Outdoor Range!

Kristina Kaye and Tracey Thompson practice.

I shot on the practice range: the paper targets and 3D animals.

Matt Zambrow and his son, Nate (top) shoot with a few others Ellen Germaine and Steve Steinmacher (right).

\*Send me your pictures of you shooting and/or working at the club as well as other events and you can see yourself in the newsletter.\*
